

Julia Ohannessian

SOFTWARE DEVELOPER

ABOUT ME

I'm a former professional actor turned aspiring Software Developer.

I started designing websites for friends and was so fascinated by the development process that I enrolled in a JavaScript Development bootcamp at General Assembly.

I'm changing careers because the future of tech inspires me.

And I want to be a part of that future.

SKILLS

Acting | JavaScript | Communicating with humans | Pole Dancing | Designing Websites | Eating chocolate | Adobe XD | Puppeteering | Ruby.
